*Unlock the music within your heart!*

Summer vacation is here and that means it's almost time for Yuuki's birthday! Since it's over summer break, her birthday is usually a nonevent; but this year, Yuuki has decided that things are going to be different...this year, on her birthday she's going to confess her love to Takizawa! But will the handsome and popular third-year track star reject her? The very thought has Yuuki in turmoil. Her best friend, Miu, is doing all she can to support her friend, but watching Yuuki struggle only reminds Miu of how troubled her own heart is.

Meanwhile, Mr. Shirakawa is frustrated at the lack of growth in Miu's playing. Trying to inspire her, he nominates her to be his sole representative at the Spring Piano Recital. Not only that, but she'll be the only student who will have to compose and play her own original piece! If she refuses, Mr. Shirakawa won't even have a single student participating. Should she play in the recital even though her heart really isn't in it?

Contains episodes 4-7.

PLUS! DVD 2 includes the first of two special epilogues by Miu's Japanese voice actress, Ayako Kawasumi, and an exclusive booklet containing Piano Side Story #2: "Sunflower Etude" and Piano Side Story #3: "Freesia's Refrain".
